Golf Pride Ranks Top Grip Choice Among The Field At 2008 RBC Canadian Open

LAURINBURG, N.C. ... Diversified industrial manufacturer Eaton Corporation announced today that the majority of professionals who played in the RBC Canadian Open depended on Golf Pride® grips. In fact, 92 percent of the top 30 finishers with ties used Golf Pride grips to play their best at Glen Abbey GC in Oakville, Ontario.

“We are pleased to see our products used by a majority of Tour professionals in weekly tournament play, especially when Golf Pride has such a strong presence on the leader board,” said Jeff Fiorini, general manager for Eaton’s Golf Grip Division. “This week, 33 of 36 players who finished in the top 30 positions used Golf Pride grips on the majority of clubs in their bag, which is a strong testament to the reliability and performance of our products.”

Eaton’s Golf Grip Division is the world’s largest manufacturer of golf grips, with manufacturing, sales and distribution facilities on five continents. The division’s Golf Pride brand is recognized globally as the number one choice in grips among tour and recreational players, competitive amateur golfers, club manufacturers and club repairmen.
