Golf Pride Remains Top Grip Choice Through Three Rounds Of FedEx Cup

CLEVELAND ... Diversified industrial manufacturer Eaton Corporation today announced that the majority of touring professionals who are advancing to play in the Tour Championship depend on Golf Pride® grips to play their best.

Golf Pride grips are used by 26 of the 30 professionals who have qualified to play in the Tour Championship, held at the East Lake Golf Club in Atlanta, GA, from Sept. 25-28.

“As the FedEx Cup moves into its final event, we’re excited to see that 87 percent of the 30-player field uses Golf Pride grips on the majority of clubs in their bag,” said Jeff Fiorini, general manager for Eaton’s Golf Grip Division.

Eaton’s Golf Grip Division is the world’s largest manufacturer of golf grips, with manufacturing, sales and distribution facilities on five continents. The division’s Golf Pride brand is recognized globally as the number one choice in grips among tour and recreational players, competitive amateur golfers, club manufacturers and club repairmen.
